- Vehicle access is available **5 hours before kickoff**. All vehicles must vacate the Loop area as soon as supplies have been delivered. Vehicles will not be permitted to enter the area 3 hours prior to kickoff and any vehicles present at that time, must be removed immediately.
- Vehicles are NOT permitted to be parked in/or next to the NMSU Student Tailgate Field

Tailgating for football games is allowed in the non-student lots/areas as follows:

All other lots listed above:

Game Day:

- For games with a 5:00 pm or later start, tailgating is allowed from 11:00 am until two hours after the game or midnight, whichever occurs sooner.

- No alcohol may be consumed at the Tailgate Station during the game.

Tailgating activities are not allowed in any other parking lots on campus, nor on streets within or adjacent to campus. Tailgating activities may not block access to designated handicapped parking spaces nor block safe and efficient traffic flow within the parking lots or roads on the campus.

Parking

- General: Parking for tailgating activities in the specified lots is on a first-come, first-serve basis.
- Pre-positioning Vehicles: Fans may pre-position RVs in Lot 30 beginning at 11:00 am on the Friday before Game Days. Vehicles prepositioned and left overnight are done so solely at the owners' risk.
- Overnight RV Occupancy: Recreation Vehicles (RVs) in Lot 30 may be occupied beginning at 6:00 pm on the Friday before a football game.
- Removal of Vehicles from Lots: All vehicles must be removed from NMSU parking lots (including those vehicles with a parking pass) by 10:00 am of the day following a football game.
- Parking spaces: Vehicles, including RVs, must be parked orderly and within parking stalls, where marked. Tailgating activities are limited to the space required for parking of the associated vehicle, plus one full stall width along the full passenger side of the vehicle. For example, one (1) marked space is allowed for tailgating activities when no vehicle is parked and two (2) marked spaces are allowed for tailgating activities when one standard size vehicle is parked. The maximum space for tailgating activities is six (6) marked spaces, applicable only to an oversized RV.

All vehicles, equipment and persons associated with a particular tailgate party must be contained in the applicable area. No vehicles, equipment or persons may block driving lanes or access for emergency vehicles. Blocking or reserving of adjacent spaces is not permitted outside of the allowed area. Individuals or groups wanting more space than is allowed under this policy must rent such space from the Athletic Department, and will be considered a "private party" and not a tailgate.

Tailgating for Baseball and Softball:

General public tailgating in association with home baseball games is allowed in Lot #39 (north of the softball complex) and Lot #40 (west of Presley Askew Field). General public tailgating in association with home softball games is allowed in the same lots that are indicated above for those games where it has been approved with the appropriate security staffing. See the below listed dates for softball tailgating.

Tailgating is allowed in the following parking lots:

- Lot #39
- Lot #40

Game Day:

Tailgating is permitted from 2 hours prior to the start of the game to 2 hours after the conclusion of the game or one hour after the conclusion of the game, if the game start is 7:00 pm or later. When multiple games are played in the same day, tailgating is allowed from 2 hours prior to the start of the first game until 2 hours after the conclusion of the last game that day or one hour after the conclusion of the final game, if the game start is 7:00 pm or later. Tailgating is not allowed during a game.

Due to limited space in parking lots immediately adjacent to the softball and baseball stadiums, and the need to provide access to emergency vehicles and personnel, vehicles and RV's must be parked within the designated parking stalls. No vehicles, equipment or persons may block driving lanes or access for emergency vehicles. Blocking or reserving of adjacent spaces is not permitted outside of the allowed area.

Dates approved for softball tailgating are: (pending)

Tailgating for Basketball:

Student tailgating in association with home basketball games (men or women) is allowed in Lots #29, 30 and 33 (south of the Pan American Center) for those games where it has been approved with the appropriate security staffing.

Tailgating is allowed in the following parking lots:

- Lot #33

Game Day:

Tailgating is permitted from 2 hours prior to the start of the game to 2 hours after the conclusion of the game or one hour after the conclusion of the game, if the game start is 7:00 pm or later. When multiple games are played in the same day, tailgating is allowed from 2 hours prior to the start of the first game until 2 hours after the conclusion of the last game that day or one hour after the conclusion of the game, if the game start is 7:00 pm or later. Tailgating is not allowed during a game.

Due to limited space in parking lots immediately adjacent to the Pan American Center, and the need to provide access to emergency vehicles and personnel, vehicles and RV's must be parked within the designated parking stalls. No vehicles, equipment or persons may block driving lanes or access for emergency vehicles. Blocking or reserving of adjacent spaces is not permitted outside of the allowed area.

Dates approved for basketball tailgating are: (pending)

Tailgating for Other Events:

Tailgating for other events will be handled on a case-by-case basis, and must be requested by the event promoter/sponsor. The request must start with the Tailgate Policy Official in Charge who is responsible for the facility/event. For example, if connected with an athletic event, the request must be made to the Athletic Director. If the Tailgate Policy Official in Charge agrees with the request, then it will be forwarded to the rest of the policy officials in charge for approval.

Student Tailgate Regulations for Non-Football Events:

- Student organization sponsored tailgating events must submit an “event request” form through ****Crimson Connection** to obtain needed approvals and arrange for the appropriate security staffing.
- If the student organization is selling or providing alcohol to attendees, an application must be submitted to the Alcohol Review Committee for prior approval.
- The possession and use of alcoholic beverages and cannabis must follow all local, state, and federal laws, as well as New Mexico State University Student Social Code of Conduct and Student Organization Guidelines.

- The sale of alcohol or providing alcohol to anyone other than guests of legal age is prohibited.
- Student organizations or groups are responsible for maintaining responsible access to alcohol and must implement a system (ID verification, wristbands, etc.) to ensure that minors are not served.
- All coolers, ice chests, and similar items are subject to search as a condition of hosting a student organization student tailgate event.

Tailgating Activities

Alcohol:

Alcohol may be consumed as part of authorized tailgating activities in the locations designated for tailgating activities under this Regulation and in accordance with the following provisions:

- Persons under the age of 21 are prohibited from drinking alcohol in accordance with state and federal laws and NMSU policy. Persons who supply alcohol to underage drinkers may face criminal and civil charges.
- Alcoholic beverages may not be sold, and providers of alcohol will be held responsible for any over-consumption by their guests.
- Glass containers (e.g. bottles or drinking glasses) are not permitted.
- Kegs, party balls or common sources of alcohol are not permitted.
- No alcoholic beverages may be taken into the athletic facilities. Individuals leaving tailgate areas may be subject to search if there is reason to believe they are attempting to take alcoholic beverages into the game.
- Responsible and appropriate behavior is required when consuming alcohol as part of tailgating activities. Inappropriate behavior may result in sanctions by law enforcement authorities and forfeiture of tailgating privileges.
- Only beer and wine are allowed in any student tailgate areas.
- Alcohol may be consumed in Parking Lot #30 on Friday nights before a home game between the hours of 6:00 pm and 10:00 pm, unless there is a conflict with another event during that time.
